

Privacy Policy

At **Sheyan Technology Pvt Ltd** ("we", "our", or "us"), we are committed to protecting your privacy. This Privacy Policy explains how we collect, use, disclose, and safeguard your information when you use our website and services, including our GPS tracking solutions.

1. Information We Collect

We collect only the minimum amount of information required to provide our services. The data collected includes:

- **Username & Password:** Used for secure user authentication. All passwords are stored using irreversible hashing techniques. We do not store plain-text passwords.
- **Email Address:** Used for service-related communications, such as updates, password resets, or security alerts. We do not use it for marketing or third-party promotions.
- **GPS Location Data:** When using our tracking software, we collect your device's GPS data including:
 - Latitude & longitude (coordinates)
 - Speed, heading, altitude
 - Timestamp of the GPS signal
 - Sensor-related data from your device (if permitted)
- **Device Data:** We do **not** collect or access your contact list, messages, or stored files.

2. Use of Information

All information we collect is used solely for the following purposes:

- Providing location-based M2M tracking services
- Authenticating and identifying registered users
- Sending important account-related information
- Enhancing system performance and reliability

We do **not**:

- Sell, rent, or share your information with third parties
- Use your personal data for advertising or analytics without consent
- Track or interrogate your location data without your authorization

3. Data Security

We take your data security seriously. Our safeguards include:

- Secure servers with industry-standard encryption
- Firewalls and intrusion detection systems
- Regular server updates and security patches

Despite our best efforts, no data transmission or storage can be guaranteed 100% secure. If you suspect unauthorized access or believe your account has been compromised, please contact us immediately at sheyantech@gmail.com.

4. Cookies Policy

We use **cookies** solely to enhance user experience and maintain session integrity. Cookies help:

- Identify users during the login process
- Store session preferences and language settings

We do **not** use cookies for:

- Advertising or marketing tracking
- Collecting personal or device-sensitive data

Most cookies expire automatically upon logout or browser closure. You can manage cookie preferences in your browser settings.

5. User Consent

By using our website or services, you consent to the collection and use of your information as described in this policy.

6. Policy Updates

We reserve the right to update this Privacy Policy at any time. Significant changes will be notified via:

- A notice on our homepage, or
- An email to registered users (if applicable)

We encourage you to review this policy periodically to stay informed.
